Algebra I Budget Project Survey

As a high school student, living independently seems like a distant idea, but it's not as far off as you think it is! To prepare you for the real world and all that entails, you are going to create a budget of all your monthly expenses. Before we start the project, you are going to take this quick survey to give you an idea of where to begin.

1. What do you plan to do after high school? *Check all that apply*
