## Algebra I Budget Project

### Extra Amenities Optional

At this point, we've just hit your basic bills that are required to live. Now we will look at all the "extra" items that you may want. Keep in mind - none of these things are required. You may choose to spend whatever you like in each of these categories.

#### **Cable/Internet: (optional, if you can afford it)**

Check here for rates: [www.broadbandexpert.com/cable/](http://www.broadbandexpert.com/cable/). You can plug in the address to your apartment complex to see what's offered in your area.

**Cable:** \_\_\_\_\_(amount you pay per month)

You may want to have a social life as well. Budget accordingly in each of these categories.

#### **Entertainment:**

Record the amount you would like to spend each month:

**Entertainment:** \_\_\_\_\_(amount you pay per month)

Example: going to the movies, bowling, hanging out with friends, etc.

**Eating at Restaurants:** \_\_\_\_\_(amount you pay per month)

#### **Miscellaneous:**

**Savings or Miscellaneous:** \_\_\_\_\_(amount you pay per month)

If you intend to travel or take vacations you may want to save some money!
