- We have chosen the singers, dancers, directors, cameramen, and choreographers for our video.

Singers _____

Dancers _____

Directors _____

Cameramen _____

Choreographers _____

- We have discussed and brainstormed ideas for our video including: where we want it to be filmed, what props we will be using, what costumes or clothes we will need to wear, what effects we would like to add to our video.
- We have chosen the apps/software that we will use to create our music video. (See iTunesU and directions page for recommended apps).

Before filming anything...

- We have written the new lyrics to our song and it has been approved by Ms. Ulrich. **DUE May 13!**
- We have created and submitted our storyboard to outline what will take place in each part of our music video. **DUE May 16!**
- We have taught every member of the group our song and practiced *at least* 5 times together.
- We have recorded the audio to our song.
- We have filmed each scene of our music video and we believe that it we were able to get the best take for each part.
- We have edited the music video and added our audio to compile our final project.
- We have submitted our final project to Ms. Ulrich via Google Drive. Share the video with this email address brittanyulrich@misdmail.net). **DUE May 28!**
